ABOUT THE COLLEGE

The visionary Philanthropist of 'Sri Vidya Mandir Higher Educational Trust' started 'Sri Vidya Mandir Arts and Science College' in Uthangarai in the year 2000 with noble aim of uplifting economically and educationally backward Districts Dharmapuri and Krishnagiri into a Number One Educational destinations in Tamilnadu. The College offers 13 UG programmes and 8 PG Programmes and 6 M.phil Programmes and 4 Research Programs. The College is surrounded by the culturally rich pilgrimage centers, Hanumantheertham (2 km) and Theerthamalai (15 km), associated with the famous Epic, The Ramayana. The College is housed in a sprawling campus of more than 50 acres. The Queen of Mountains, the Eastern Ghats, has bestowed her bountiful nature and conducive climate around the year. The College is well connected with the nearby cities and is located in the Salem to Vellore State Highways. Currently the college functions with the strength of around 4500 students and 136 faculty Members.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in the year 2004 with undergraduate B.Sc degree in Mathematics with 26 students. The M.Sc degree is being offered from the year 2007. From the year 2012 onwards, the department has emerged as a fully-fledged research department offering M.Phil programmes. Now in 2018, the department holds 900 students with 23 faculties. It provides a teaching learning process to develop the talent through competency building. It strives to produce eminent professionals tuned to the real time working environment. The department runs to meet out the competent academic environment with adequate labs and library resources to support students in their pursuit of excellence in every sector of life.

ABOUT THE WORKSHOP

The main objective of the workshop is to motivate young minds to orient towards research in various domains of mathematics. It also provides a common platform for students and researchers to share and discuss their ideals in various field of applied mathematics. It further aims to improve students and scholars knowledge to appear for CSIR, TNSSET and other competitive exams. Areas to be covered in this workshop to enlighten the scholars in various fields like Algebra, Topology, Real analysis, and Differential Equations.
