All are cordially invited

About the College

Sri Vidya Mandir Arts & Science College (Autonomous)

The visionary Philanthropists of Sri Vidya Mandir Higher Educational Trust started Sri Vidya Mandir Arts & Science College in Katteri in the year 2000 with the noble aim of uplifting economically and educationally backward district, Dharmapuri and Krishnagiri into a number one educational destination in Tamil Nadu.

The College is surrounded by the culturally rich pilgrimage centers, Hanumantheertham (2km) and Theerthamalai (15km), associated with the famous Epic, The Ramayana. The College is located in a sprawling campus of more than 50 acres. The Queen of Mountains, the Eastern Ghats, has bestowed her bountiful nature and conducive climate around the area. The College is well connected with the nearby cities and is located in the Salem-Vellore State High Ways. Currently the college functions with the strength of around 4300 students, 150 faculty members. The College offers 13 UG courses, 9 PG courses, 7 M.Phil programmes and 3 Ph.D (Part time/Full time), 3 Ph.D (Part time) programmes. The college was recognized by the University Grants Commission (UGC) under section 2(f) & 12(B) of UGC Act, 1956 on 26th August 2013. The curricular model developed SVM originally integrating teaching, research and extension has earned the institute UGC status by the NAAC in 2015 with 'A' Grade (3.27). Recently, the college is conferred with Autonomous Status by the UGC from the academic year 2020-2021 onwards and retains the same NAAC Grade 'A' with 3.27 CGPA till 2025. So far the college stands proud by clinching 80 gold medals and a number of ranks.

About IQAC

The Internal Quality Assurance Cell of Sri Vidya Mandir Arts and Science College was established in the year 2013 with 10 members. But at present, it is functioning with 19 members. The IQAC is verbalized as per guidelines of NAAC and acting as nodal agency of the institution for synchronizing quality related activities. It fashions learner-centric environment beneficial to quality education and aptitude development. It is also intricate in academic enhancement programmes, quality facets seminars, conferences FDS and feedback leading to incessant perfection and accomplishing academic distinction. The IQAC plays an important role in committing the quality assurance of the College out the Year.

About the Seminar

Our Nation has one of the largest and diverse educational systems in the world. Quality Education is the key for the growth and success for all Nation. A key role of higher education Institutions (HEIs) is to drive innovation, with the aim of finding solutions to global challenges in areas that matter to society. Also HEIs plays a vital role in providing quality education. NAAC is an autonomous institution with the prime agenda of assessing and accrediting institutions of higher learning with all objective of helping them to work continuously to enhance the quality on higher education. Assessment and Accreditation is broadly used for understanding the quality status of an institution. NAAC Accreditation helps the Higher education institution to analysis their strengths, weakness and opportunity through informal review process. It is very important to encourage self-evaluation, accountability, autonomy and innovations in the Higher Education and undertake quality research work, Consultancy and training programs and also collaborate with other stakeholders of Higher Education for quality evaluation, promotion and sustenance. Also the society looks for reliable information on quality education offered. NAAC grade helps students to choose the best institute based on its quality. This seminar has been planned to motivate HEIs to initiate innovative and modern methods of pedagogy with the assessment and accreditation by NAAC.

Objectives of Seminar

The Key objective of this seminar will be to build awareness about NAAC Accreditation and its benefits to the higher education Institutions.

With higher education becoming an international service, there is growing concern the world over about quality, standards and recognition. Set the stages of identification, dissemination, sustenance and adaptation of best practices and of their transference. To discuss new online process of NAAC Accreditation framework with the help of Resource Persons and Experts from NAAC, Bengaluru.

Themes of Seminars

To explain seven Criteria, Key Indicators, Distribution of weightage and philosophy involved.

To prepare Self-Study Report (SSR), Student Satisfaction Survey, Data Verification and Validation and to face Peer Team visit with comprehensive supporting documents.

Expected Outcome

To understand the importance of the NAAC Accreditation and its frame work.

To understand the issues and challenges in Higher Education Institutions through this seminar.
