About the Department

The Department of Mathematics was established in the year 2004 with undergraduate B.Sc. degree in Mathematics with 26 students. The M.Sc. degree is being offered from the year 2007. From the year 2012 onwards, the department has emerged as a full-fledged research department offering M.Phil. Programmes and Ph.D. programs from 2016. Since 2004 the department has produced more than 6000 centurms. Now in 2021, the department holds nearly 1000 students with 25 faculties. It provides a teaching learning process to develop the talent through competency building. The department has 11 Ph.D. holders. Our department students have clinched 7 Gold Medal and 63 university ranking Periyar University Examinations.

The Department has successfully organized 3 International conferences, 1 International level workshop, 5 National level Workshops with the financial assistance of diverse leading funding agencies and the contributions from the college management. The department runs to meet out the competent academic environment with adequate labs and library resources to support students in their pursuit of excellence in every sector of life.

Workshop Objective

To provide the Preparation tips to the participants on how to crack CSIR-NET, GATE/SET Exams in Mathematical Science. Students will be guided in the workshop to develop the analytical and reasoning ability and to develop scientific temper, which is necessary for clearing the UGC-CSIR-NET-GATE exam and pursuing the carrier in research. Workshop will help students to understand the scientific problems put forth in the UGC-CSIR-NET-GATE exam and enhance their ability to approach these scientific problems.

Lectures will be focused on understanding the concepts of Mathematical science and help the students to approach the UGC-CSIR-NET-GATE exam. Weekly online test series will be conducted after the workshop for further practice on solving the questions.
