

ONE WEEK INTERNATIONAL ONLINE WORKSHOP on

HOW TO WRITE A QUALITY RESEARCH ARTICLE

MAY 24 - 30, 2021

SRI VIDYA MANDIR ARTS AND SCIENCE COLLEGE

(AUTONOMOUS)

*(Accredited by NAAC with 'A' Grade [3.27])
(Recognized 2(f) & 12(B) Under UGC Act of 1956)*

Katteri-636 902, Uthangarai-TK, Krishnagiri-Dt, Tamil Nadu, India.

About the College

The visionary Philanthropists of Sri Vidya Mandir Higher Educational Trust started Sri Vidya Mandir Arts and Science College in Uthangarai in the year 2000 with the noble aim of uplifting economically and educationally backward districts, Dharmapuri and Krishnagiri into a number one educational destination in Tamil Nadu. The College is surrounded by the culturally rich pilgrimage centers, Hanumantheertham (2km) and Theerthamalai (15km), associated with the famous Epic, The Ramayana. The College is located in a sprawling campus of more than 50 acres. The Queen of Mountains, the Eastern Ghats, has bestowed her bountiful nature and conducive climate around the area. The College is well connected with the nearby cities and located in the Salem-Vellore State Highways. Currently the college functions with the strength of around 4300 students, 150 Faculty Members. The College offers 13 UG programmes, 9 PG programmes, 7 M.Phil. Programmes and 4 Ph.D. programmes. The college stands as a lofty mountain among the Periyar University affiliated colleges by bagging 50 Gold Medals and 402 University Ranks so far. The College was recognized by the University Grants Commission (UGC) under section 2(f) & 12(B) of UGC Act, 1956 on 26 August 2013. The curricular model developed at SVM originally integrating teaching, research and extension has earned the institute UGC status by the NAAC in 2015 with 'A' Grade (3.27). As another feather in the crown, the college sustains the same NAAC (A Grade) till 2025. Recently, the college is conferred with Autonomous Status by the UGC from the academic year 2019-2020 onwards

About the Christ University

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India. He founded the first Catholic indigenous congregation, Carmelites of Mary Immaculate (CMI), in 1831 which administers CHRIST (Deemed to be University). Established in 1969 as Christ College, it undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the institution a Deemed to be University, in the name and style of Christ University. One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016, CHRIST (Deemed to be University) has the top grade "A" in the 4-point scale. The multi-disciplinary University which focuses on teaching research and service offers Bachelors to Doctoral programmes in humanities, social sciences, science, commerce, management, engineering, education, and law to over 25000 students. The campus is a living example for the harmonious multiculturalism with students from all the states of India and around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

About Jyothi Engineering College

The Catholic Church has played a vital role in the field of Education, Healthcare and Social Service. Keeping in tune with the universal policy of the Church, the Archdiocese of Thrissur has illustrious track record of a century and a quarter in the education sector. Education was the prime concern of the Diocese ever since its inception. The legendary march in education started with St. Thomas High School in 1889. Since then, the education ministry had a phenomenal race forward and today it has a number of establishments under its umbrella including Jubilee Mission Medical College & Research Institute and St. Thomas College. Jyothi Engineering College under Thrissur Educational Trust founded by the Catholic Archdiocese of Thrissur, started functioning at Cheruthuruthy in the year 2002. With a visionary management, a team of dedicated faculty and a set of devoted staff and with the comparable infrastructural and instructional facilities in a quiet and studio us rural environment, Jyothi has emerged as a Model among the self-financing colleges in Kerala. Within a decade it has achieved an envious position as the fourth best Engineering College in the State and stands third among the Engineering Colleges affiliated to APJ Abdul Kalam Technological University.

About R & D Cell

Research and Development Cell aims to nurture research culture in the College by promoting research in newly emerging and challenging frontier areas of Science and Humanities. It encourages the students and faculty to undertake the research in newly emerging frontier areas including inter/multidisciplinary fields. This enhances the general research capability of potential technocrats by way of participating in conferences, seminars, workshops, project competition, etc. In order to promote research and development activities, the college extends its full support to students/ faculty/ staff. Full/Partial financial support is given to all innovative research & development works taken up by the students, faculty and staff members. It also conducts Workshops for the better understanding of the contemporary research.

About the Workshop

One Week Online International Workshop on "How to Write a Quality Research Article" for the students, research scholars and faculty members of Sciences and Humanities will be instrumental in enriching the research scholars and faculties in understanding the relationship between concepts and themes in research and critical research process from inter/multidisciplinary perspective in arts and sciences. The major effort of this International Workshop focuses on methodological tools for analysis and is designed to help researchers devise and try out an analytic approach. Further, it will provide an exclusive platform for intensive discussions on a variety of facets of research and methodology with renowned academicians.
