ABOUT THE PROGRAMME

This 50 days training programme, co-ordinated by 25 staff members with varied expertise is intended to fine-tune your skills and make you relevant in the current job scenario. The schedule is designed, keeping in mind the need for effective communicative skills, technical and analytical skills to have an edge in the job market. The approach adopted will be a step-step process to teach in a relaxed and fun way involving games, videos, take-away notes, motivation and giving little tasks to perform, thus making your 50 days coaching effective.

PROGRAMME OBJECTIVE

The training aims to improve the level of confidence in students by raising their overall competence in communication. Whether you are Plus Two or graduate students, to bridge the gap between where you are now and where you intend to be.

EXPECTED OUTCOMES

- This training will
- Enable you to choose your career prospects better.
 - Warrant your better preparedness to face job interviews.
 - Help you shape your character and discipline.
