A Report on One Day State Level Workshop on

LARAVEL – The Full Stack Framework on 15th March 2023

PG & Research Department of Computer Science & Applications of our College has organized a One-day State Level Workshop on LARAVEL The Full Stack Framework on 15th March 2023.

Dr. D. Kavitha, Head of the PG & Research Department of Computer Science & Applications, welcomed the gathering. **Ms. R. Bhuvaneshwari**, Assistant Professor, PG & Research Department of Computer Science & Applications, introduced the Chief Guest.

Thiru. A.S. Arunkumar, Secretary, Sri Vidya Mandir Arts & Science College (Autonomous) and **Dr. N. Gunasekaran**, Principal, Sri Vidya Mandir Arts & Science College (Autonomous) felicitated the gathering.

Thiru. V Chandrasekaran, founder of Sri Vidya Mandir Educational Institutions addressed the students with his Presidential/Keynote address on this occasion.

Later the Technical session starts at 10.30 AM. The resource person for the event **Mr. S. John Bosco**, Assistant Professor, Department of Computer Science, Sacred Heart College, Tirupattur gave the lecture about the **Web Development concepts using LARAVEL**. He explained the advancements and technical improvements in the field of web development and gave the ideas for the students.

For this event around 350 students from 15 colleges and Final year UG and PG students of Computer Science and Applications from Sri Vidya Mandir Arts & Science College (Autonomous) were participated.

After that, the students enjoyed the day with many cultural performances. Participation Certificates has been issued to all the participants at the end of the programme by **Dr. D. Kavitha**, Head, PG & Research Department of Computer Science & Applications and **Mr. M. Pandiaraj**, Organizing Secretary of the programme.

The programme was hosted by **Dr. R. Kaviyarasi**, Assistant Professor, PG & Research Department of Computer Science & Applications. At the end of the programme, **Dr. C. Rajagopal**, Assistant Professor, PG & Research Department of Computer Science & Applications, proposed the vote of thanks and the occasion ended well. All the professors of the department had done a great job in making this programme a grand success.
