## About the College

The visionary Philanthropists of Sri Vidya Mandir Higher Educational Trust started Sri Vidya Mandir Arts and Science College, Uthangarai in the year of 2000 with a noble aim of uplifting the economically and educationally backward districts such as Dharmapuri and Krishnagiri into the number one educational destination in Tamil Nadu. The college is well connected with nearby cities and is located in the Salem-Vellore state highways. Currently, the college has attained the strength of more than 2900 students and 160 Faculty members. Our College secured highest CGPA score in NAAC ('A' Grade, 3.27/4.00) among the Periyar University Affiliated Colleges in the first cycle and also recognized with the same till the year of 2025. Our college has accomplished with the status of Autonomous from the academic year 2020-2021.

## About the Department

The Department of Botany was established in the year 2015 - 2016 and recently in the year 2018-2019 it has upgraded into Post Graduate Department. The Department has a magnificent record at the Post graduate level of producing several first classes and also receiving University Ranks in the examinations. The department has received student's research projects funded by TNSCST. The department has published many books and research articles in various reputed national and international journals.

## About the Programme

A seminar on "Modern Trends in Plant-Based Industrial Applications" would cover the latest advancements and innovations in using plant-based materials and processes across various industries. Main areas of focus includes; Sustainable Agriculture, Raw Materials, Food, Beverage & Textile industry, Bioplastics, Packaging, Pharmaceuticals, Cosmetics, Energy, Biofuels, Environmental Impact, Sustainability, Regulatory and Market Trends. The main aim of the seminar is to address the recent problems, current trends and challenges and finding innovative solutions for sustainable growth and development.
